Acknowledgement

This is to acknowledge and thank Dr. Stephan Hoellwerth for his participation in the 2007 season of the Austrian American Mozart Academy.

Dr. Hoellwerth conducted our production of the operetta *Die Fledermaus* by Johann Strauß.

In addition to conducting the performances in the Kapitalsaal in Salzburg, he also coached the singers musically and on German diction. We were pleased with the response of the singers and the orchestra and thank Dr. Hoellwerth wholeheartedly for his contribution.

Sincerely,

Kathryn Bishop-Feik
